The trauma from adverse childhood experiences can last a lifetime, and without early intervention, can define a lifetime.

But we can help prevent the physical and mental effects that childhood trauma can lead to.

At Big Brothers Big Sisters, we champion the health and wellbeing of youth by stepping in before it's too late, to give every child a chance to reach their full potential.

2. IGNITE A DREAM (Be A Monthly Donor)

\$20

Supports a **child learning** about healthy relationships and an active lifestyle.

\$50

Helps fund an **In-School Mentor** to spend an hour a week with a child at risk.

\$100

Helps fund a **traditional match** for one year to unlock a child's potential.
